"Service with 2020 Vision for the Future"

President's Message

HAPPY NEW YEAR! I hope everyone had a Merry Christmas.

The year 2019 is now history, and we are ready to enter into a new calendar year. What an opportunity to start over with new adventures and new opportunities along with some long standing traditions.

January will be a half way point for me as President. I thought my term as president would be a long year, but where has the first six months gone? However, they have been very enjoyable. We have several new members in our club, so it is a good time for new starts, new ideas, new projects, new commitments and more new members.

What a wonderful Christmas party everyone enjoyed thanks to Lion Susan and her committee. Behind the scenes work that goes into preparing an event such as this is a phenomenal accomplishment. Even though everyone was having a good time, we also showed how dedicated Lions' are in serving the community by helping the Thurmont Food Bank. The collection of hats, gloves, scarves, etc. was amazing.

There remains six months in the 2019-2020 Lions' year, so I hope everyone will be mindful of those less fortunate and help to make a difference in our community and around the world. We will soon begin our pit sandwich sales and will need the help of each member. So remember, whether you can give many days or hours or just one day or one hour, we need your help.

Our first meeting in January will feature Lion Ross Smith, JR. as our speaker. You will enjoy a memorable program about the life of a seasonal member and his family which will include the history of the Hillside Turkey Farm. You will not want to miss this enjoyable evening.

A new year 2020, here we come ready to roar! Are you ready to continue your service to the Thurmont community? I am!

As the dawn breaks on a new year, let us give thanks for all we hold dear: our health, our wealth and happiness, our family and our friends. Let the year bring us new opportunities to walk in faith and to grow as a much better club; a time to mark an end and say "good bye", and a time to mark the beginning and say "hello".

"Together Everyone Achieves More" (TEAM), and as always "It is Better to Give than to Receive"

Yours in Lionism,

President Joyce

Upcoming Programs

Contributed by Lion George Bolling

Happy New Year! At our first meeting in January, we will hear from our own Ross Smith, Jr. about the history of the Hillside Turkey Farm. The Smith family has been operating the farm and local retail market for many years, and it is an iconic part of the Town of Thurmont. And, at our meeting on January 22nd, we'll host the District Governor for his official visit to our great club. I hope you can join us for both these interesting meetings! Make a Difference Day

Contributed by Lion Marci Lyn Veronie

Make a Difference Day was my first opportunity to head up an event for the Thurmont Lions Club. I am happy to report that through the support of club members, Thurmont Middle School and Catoclin High School Leos, the Thurmont community and a small group of friends and coworkers, we collected 64 coats for children and 83 for adults. The children's coats were delivered to Thurmont Middle School for distribution, and the adult coats were given to the Frederick Rescue Mission. So much teamwork was involved. I would like to send special thanks to Lis Ruppel and Bob Kells from the Lions, Kelly Leigh Pizza at TMS, Erin Elliott, owner, Alter Ego Hair Salon and Thurmont Food Lion for helping me coordinate everything. We did have a special donor who asked to remain anonymous, but I must thank this person for paying to have all the coats dry-cleaned. As a team, I believe we made a difference! Thank you! Christmas Extravaganza

Great Turnout for First Christmas Extravaganza of the Season

Lions Doug and Don hosted their first Christmas house tour/dinner of the season on December 7 to benefit the Maryland Patriot Guard, Operation Second Chance and Sgt. Lawrence Everhart Chapter of the Sons of the American Revolution. A total of 80 people attended, and they were treated to a tour of approximately 180 trees, including many new trees. Guests capped off the evening with lots of food, including many appetizers, a full buffet of roast beef, Italian chicken, Frisco potatoes, Harvard beets, candied carrots, spiced peaches, lots of tasty desserts, and numerous drinks including our famous Christmas punch and snow cocoa. The fundraiser generated a total of \$1,750 (\$300 for Operation Second Chance, \$600 for the Patriot Guard, and \$850 for the Sons of the American Revolution). Special thanks to those who helped, including Lions Bob and Cartha Johnson for their famous and very popular cheese ball, Lion Susan Favorite for the numerous desserts, Lion Don's mom, Virginia and her husband Jeff, for the chocolates, and Lion Don's dad, Don Sr, and Lion Doug's brother, Kenny, for helping with parking. Also, thanks to those who donated items for the Patriot Guard which were delivered to them that evening. Below is the text received the next day from Ann Nettles of the Patriot Guard regarding the items that were donated:

"Ted delivered everything to the DC VA outreach center today. Ted said that the supervisor there was so excited to get everything!! Now the pantry is full for a while and the other items were perfect! Ted said there were several vets

in the lobby when he was there. He personally gave them some of the hot chocolate and soups right then so they could enjoy while they waited to be seen.

“Please share our gratitude and the thanks of the CRRC!!”

Ann & Ted

Also, from Cindy McGrew of Operation Second Chance:

“Good Morning Don

“Thanks so much for opening up your home. I thoroughly enjoyed all the many beautiful trees and company. Thank you for including us in your very special night! Wishing you all the blessings of the season and throughout the coming year.”

*Warmly,
Cindy*

Lions Doug and Don hosted the second Christmas Extravaganza on Saturday January 4, 2020. Proceeds from that event will benefit LCIF, as well as, the District 22W mobile screening van through the District 22W Foundation.

TMS LEOS HAVE BUSY NOVEMBER AND DECEMBER

Contributed by Lion Lis Ruppel

The Thurmont Middle School LEOs have been very busy the past couple of months.

During October and November, TMS LEOs held a coat drive in conjunction with the Thurmont Lions Club Coat Drive for Make a Difference Day. The LEOs collected multiple bags of coats which were combined with the other coats collected by Lion Marci Veronie and sent to be dry cleaned. Some of the coats were then distributed to kids and families in the TMS community who needed them with the help of TMS Community Outreach Coordinator Kelly Pizza.

For Halloween, the TMS LEOs held a Costume Contest fundraiser. For a small fee, students could wear their costume to school on Halloween. A contest was held at lunch time, with judging by the lunch staff and an Amazon gift card for the best costume from each grade level.

The TMS LEOs voted to use some of the money they have raised to buy a Thanksgiving dinner for a family in need at TMS. Ms. Ware spoke with both Food Lion and Weis, and with their generous assistance was able to put together baskets with food for Thanksgiving dinner for two families. The baskets were distributed by Ms. Pizza.

In December, the LEOs assisted the Language Arts Department at TMS with their Food Drive by collecting the donated food and loading it into Ms. Ware's car

for delivery to the Food Bank. They also voted to fund several Christmas dinner baskets the same way they had done for the Thanksgiving baskets. As before, Ms. Ware is coordinating with Ms. Pizza to procure and distribute the baskets.

On the final day of school before the winter break, TMS LEOs held a "Holiday Hat" fundraiser, where students could wear a festive holiday hat to school that day for a small fee. After school let out, the LEOs met at Thurmont Regional Library for a Holiday Party and Secret Santa gift exchange.

TMS LEOs are looking forward to an exciting 2020 filled with fun and service!

Christmas Party

Contributed by Lion Susan Favorite

Approximately 50 members and guests assembled at the Thurmont Senior Center for the Thurmont Lions Club Christmas Party on December 11. Food was catered by the Thurmont Kountry Kitchen, including their popular cupcakes. Entertainment was Forever Young. Everyone received a TLC dinner mug filled with coffee and hot chocolate. Twelve door prizes were given away - door prizes were comprised of a McCutcheon's product and a loaf of Shamrock bread. Lion Allison had a Photo Booth and got some very good pictures of our Lions having fun. Everyone seemed to have a fun, festive and good time. Gloves, hats and scarves were collected for the Thurmont Food Bank to disperse over the winter months.

Thank you to all who attended. Hope you had a great start to your holiday season.

Membership Corner - Volunteers Wanted

Contributed by Lion Bob Johnson

Last November we distributed the updated TLC Membership Plan to all club members. This updated and revised plan establishes a two phase approach to introducing new members to Lionism in general and the Thurmont Lions Club in more detail. Under this plan new members are to receive an initial orientation (the next orientation session is tentatively scheduled for late January of 2020) and then be assigned a "Mentor". Mentors will have the responsibility of encouraging a new member to participate in club activities, help them feel "at home" at both regular meetings and club activities, and answering any questions the new member may have.

As I noted then, a new member mentor is not necessarily the individual who brought them into the club (sponsor) but rather an established club member who has volunteered to act as a mentor. It is hoped that this approach will help to reduce the turnover of relatively new members in the club.

Can I volunteer to be a Mentor?

As defined in the Membership Plan, a mentor is first, a volunteer. To be a mentor you must be a member of the club with at least three years of active service with the club. In addition, you should feel comfortable with working with new members and have the time to do so. As I noted above, we will be holding a new member orientation session this coming January. At that time I would like to be able to assign mentors to all of the new members in that session and to all of the other members of the club who have joined in the past 18 months.

In order to accomplish this goal I need a number of you who qualify to step up and volunteer to be a mentor. If you are interested in helping make the TLC an even better and stronger club than it already is, please step up and volunteer. To volunteer, just send me an e-mail and I will add your name to the list of club mentors. I estimate that we will need at least 5 mentors to get this program started.

And Finally,

Now that the holiday season is behind us, and as we start the second half of the club year, it is time to once again start actively recruiting new members. We have lost a number of members over the last couple of months who we need to replace. We are looking for people who are willing to help with our many and varied projects. Keep this in mind as you consider individuals for possible membership. As always, if you want additional materials such as club brochures, LCI pamphlets, etc. to use in conjunction with your approach to potential members just let me know and we will arrange to get them to you.

Remember – you are our best source of new members and don't forget the LCI membership slogan:

Catoctin High School (CHS) LEOs Welcome New Members, Aid Christmas Workshop

Contributed by Lion Bob Kells

The CHS LEOs have been hard at work this fall. In November, we welcomed nine new members to the club during our meeting on Thursday, November 14. New members welcomed to the club are:

Kayla Clutter
Kyle Dutrow
Cheyenne Haines
Carson Keller
Andrea Lopez
Deven McCullough
Raphaela Smaldone
Nicolas Veronie
Michael Wilson
Cheyenne Haines

New members and old alike have been hard at work raising funds for club projects. LEOs sold Christmas-themed candies during lunch hours in the month of December. This followed a similar candy sale project around Halloween.

December 14, the LEOs helped out at the annual CHS Santa's Workshop. The Club had a table where children made Christmas ornaments for their trees at home. We also ran a bowling alley where children tried to knock down empty plastic water bottles with a ball. Everyone received a prize no matter how many bottles they knocked down. After all, it is Christmas!

The CHS Leos will be working on more community service project in the new year. LEOs Roar!

CHS Leo Club faculty advisor Trish Steele was the head of the Santa Workshop ornament table

2020 Scholarships for CHS Graduates

Contributed by Lion Bob Kells

Each year, the Thurmont Lions Club awards scholarships to graduating Catoclin High School seniors. This year, the Lions Club will offer \$4,000 in new scholarships to qualified students. The scholarships will be divided between seniors heading the college and those pursuing vocational training after high school.

Scholarship awardees are selected based on superior academic performance, involvement in extracurricular activities, community service and demonstrated leadership skills. Announcements for the scholarships will be out by mid-January. The deadline for applications will be February 21. The Scholarship Committee will review the applications and select the winners before the community awards are presented in May.

In addition to the \$4,000 in scholarships, another \$1,000 scholarship will be presented to Pablo Arriaga, last year's winner of the four-year Vic Jagow scholarship. Pablo will receive another \$1,000 after verifying he met the scholarship's criteria for another year, which are:

Fulltime enrollment in a two-year or four-year college or university.

Maintain a 3.0 GPA.

Participate in at least one community service activity through a recognized service organization (such as the Lions Club) each year during the four-year period of the scholarship.

These scholarships are made possible by the fundraising activities the club undertakes each year. Thanks to all the Club members who work hard during the year so that we can help some deserving students make their educational and vocational dreams come true.

2019 Community Christmas Tree

Contributed by Lion Bob Johnson

This year's "Community Christmas Tree" was dedicated in conjunction with the annual "Christmas in Thurmont" program on December 7th. This year the dedication was handled by Lion Carie Stafford who is the Community Tree chair. Lion Carie spoke about the purpose of the community tree during the dedication ceremony. Overall, this year's tree was considered to be a big success. All of the Christmas in Thurmont activities has been moved to the Guardian Hose Company's engine bays, but in my estimation, the dedication was not as effective as it was in years past when we actually stood around the tree, turned on the lights and sang Christmas carols. Notwithstanding, at last count there were at least 30 ornaments on the tree that have been placed there by local residents.

The Community Tree is the successor to the Thurmont Lions Club's original "Remembrance Tree" which was first erected in 2010. The original concept was that local residents would purchase an ornament disc from the club, decorate it in remembrance of a loved one, and then return it to the club. We would then seal the disc in a clear plastic globe and place it on the Remembrance Tree. Initially we were very successful with this concept but over the year's interest waned to the point that we decided to discontinue the program.

Of course, as soon as we discontinued the program, there was a huge outcry from people saying they missed the tree. After a one year absence, we decided to bring the tree back as the "Community Tree". The major

difference being that the club would no longer be actively involved in collecting the ornaments that residents place on the tree. We would simply erect the tree, decorate it with typical ornaments, and invite local residents to place their own special ornaments on the tree. This concept was publicized around town and through a number of other local groups. The initial participation was minimal, but this year saw a significant growth in community interest. In fact, when we arrived Saturday morning (December 7th) to decorate the tree, there were already over a dozen ornaments hanging on it.

Placing the tree is not a simple task. The initial planning starts in late July when we reach out to the town of Thurmont and the Main Street office (Vicky Grinder) to insure that we have a place on the Christmas in Thurmont program agenda to dedicate it. At the same time we have to contact the property owners (Earl and Mary Rice of Emmitsburg) to get permission to use their lot downtown and start publicity for the tree. In late October, we have to coordinate with the town of Thurmont as to when they want the tree (it is erected by the town maintenance crew who also put the lights on it for us). Ever since we started the program in 2010, Butch West was our contact but he retired this year. The club had a new contact (Harold Lawson). That meant a lot of additional coordination since Harold was not as familiar with the tree project as Butch.

Also, in October, we have to locate an appropriate 12 to 14 foot tree. For a number of years the demand for live Christmas Trees was dropping. In response growers cut back on the number of trees they planted. About three years ago that trend suddenly reversed and the demand for live trees now exceeds the supply. That, in turn, has significantly reduced the supply of large trees. Fortunately our supplier (Mayne's Tree Farm in Buckeystown) still had a few large trees available so Lion Carie and I went out in the fields, selected a tree, and tagged it. Then, right after Thanksgiving, Lions Doug, Don and I took a trailer out in the field, cut the tree, and delivered it to the Town of Thurmont's maintenance yard. They did their usual good job of erecting the tree and everything went off without a hitch. I would like to thank Mayor Kinnard, Vicky Grinder, Harold Lawson and his crew for their help and support with the Community Tree program.

Feed the Hungry Campaign

Contributed by Lion Dianne McLean

Fellow Lions-- we are now half way through this Lions year and collected a total of 592 items. The majority of this total is money received plus the packaged foods collected at the November bingo. Our goal for the campaign is 828 items for the year. One dollar equals one food item. We still have a ways to go to make our total although it would be great to exceed the goal amount as we usually do. We will again collect food items at our spring bingo.

Please try to make a monetary or non-perishable food donation at each Club meeting to help our club make the campaign goal by the end of June 2020. Your support is gratefully appreciated by both your club and the Thurmont Food Bank.

Happy New Year to all TLC Members and Your Families/Friends! Eyeglass Recycling 2019-2020

Eyeglass Recycling 2019-2020

Contributed by Lion Dianne McLean

A reminder that we have used eyeglass collection boxes at the following locations: outside of Goodwill, outside Med One Pharmacy, at the library, Mountain Gate Restaurant lobby and Bell Hill (during sandwich sales). Everyone has been very generous with recycling used eyeglasses and hearing aids, and I would like to thank all who have brought eyeglasses to our club meetings. We have collected over 300 eyeglasses between July and December 2019.

Also, a reminder should you be asked about eyeglass collection, please advise donors that only intact glasses are accepted: no broken frames, missing lenses, or lenses without frames are accepted. All eye glasses must have prescription lenses, including sunglasses. Empty eyeglass cases are welcomed.

Celebrating Our Lion Members

The Thurmont Lions Club has proudly served our community and surrounding areas since 1929. The Thurmont Lions Club is a group of community-minded men and women who have come together to enjoy each other's company, hear interesting programs and raise funds for important local or vision and community related causes. We are succeeding because we have embraced all those committed to building a brighter future for our community and ourselves. We celebrate the following Lions on their anniversary and years of service in our club and service to the Thurmont community –

Januaray: Mike Irons – 1984 Life Member; Cindy McKane Wagester – 2012; Joann Miller – 2010; Bob Muchow – 1984 PDG 1997-1998 (22A), PCC MD 22-A 2011-2012

Congratulations Lions!!!!
